

Accreditation *[Federal Eagle]*

The *Deutsche Akkreditierungsstelle* (German National Accreditation Body) hereby confirms with this accreditation certificate that

GEO-NET Umweltconsulting GmbH
Große Pfahlstraße 5a, 30161 Hannover

operates a testing laboratory which meets the requirements of DIN EN ISO/IEC 17025:2018 for the conformity assessment activities specified in detail in the annex listed below. This also includes additional existing legal and normative requirements for the testing laboratory, including those in relevant sectoral programmes, provided that these are expressly confirmed in the annex listed below.

D-PL-11132-01-01 Valid from: 19 October 2026

The management system requirements in DIN EN ISO/IEC 17025 are written in a language relevant to testing laboratories and are overall in accordance with the principles of DIN EN ISO 9001.

This accreditation was granted pursuant to Article 5(1), second sentence, of Regulation (EC) No 765/2008, after an accreditation procedure was carried out in compliance with the minimum requirements of DIN EN ISO/IEC 17011 and on the basis of an assessment and decision by the appointed accreditation committees.

This accreditation certificate is only valid in conjunction with the notice dated 19 October 2026. It consists of this cover sheet, the reverse of the cover sheet and the associated annex.
